

**2025 Collaborative Group of the Americas on Inherited Gastrointestinal Cancer Annual Meeting
October 9-11, 2025
Financial Disclosures**

Postgraduate Institute for Medicine (PIM) requires faculty, planners, and others in control of educational content to disclose all their financial relationships with ineligible companies. All identified financial relationships are thoroughly mitigated according to PIM policy. PIM is committed to providing its learners with high quality accredited continuing education activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of an ineligible company.

The faculty reported the following relevant financial relationships with ineligible entities related to the educational content of this CE activity. These relationships have been mitigated:
